From the Pastor's Desk

Dear Parish Family,

As our school year at St. Anthony of Padua moves fully into gear, I am deeply grateful for the dedication of our teachers and staff. Their hard work is already bearing fruit, as shown by our students' remarkable academic progress.

On the recent NWEA MAP standardized tests—which evaluate our students against millions of their peers nationwide—our school saw scores improve by over 20%! This wonderful achievement confirms that our renewed educational focus is truly making a difference for our children.

As St. Anthony of Padua Catholic School celebrates its 75th anniversary, we are pleased to share our financial report for the 2025–26 school year (please see the final page of today's bulletin). We present this report with immense gratitude for your support and with great confidence in the path ahead.

Your generosity is a direct investment in the renewal of Catholic education here in Greenville—helping us build a school marked by genuine academic excellence and a rich Catholic identity. Above all, your support protects a foundational pillar of our mission: accessibility. For 75 years, St. Anthony's has opened its doors to every family seeking a top-quality Catholic education, regardless of financial background.

The children of Greenville deserve a Catholic education of the highest caliber, and with your help, we intend to provide it for the next 75 years and beyond.

Our school leadership team remains committed to stewarding our resources judiciously while actively growing our school family. Thank you for your continued prayers and belief in our mission. We look forward to sharing more good news as the year unfolds!

Peace and all good,

Fr. Emerson

Parish Staff Highlight: Dennis Weiss

Originally from New Jersey, Dennis recently relocated to the Greenville area with his wife of 14 years, their son, and their two dogs. Dennis earned his Bachelor of Arts in Physical Education from Kean University, but his passion for facilities care began back in high school at the very same Catholic school he attended through eighth grade. He brings a wealth of experience to our parish, having spent the last 10 years as the Facilities Manager at St. Bartholomew Church and Academy in New Jersey.

When he isn't keeping our parish campus in top shape, Dennis loves spending time with his family, staying active, enjoying the outdoors, and reading.

Be sure to give Dennis a warm South Carolina welcome when you see him around campus!
