

# Meet the Finance Council

## What We Do

**Our Mission:** To provide the Pastor and the parish community with expert financial counsel and diligent oversight. Our mission is to maintain a foundation of fiscal stability and transparency, ensuring that every contribution is used effectively to honor God and serve our community.

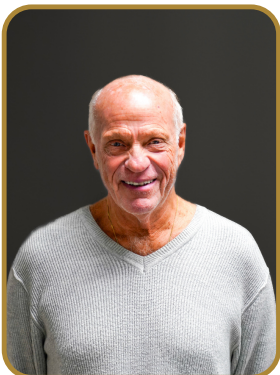

**In Practice:** The Finance Council fulfills this mission by collaborating with the Pastor to develop annual budgets aligned with our parish priorities and conducting regular financial reviews to ensure long-term fiscal health. We uphold a commitment to transparency by overseeing the Annual Financial Report and implementing strict internal controls in accordance with Diocesan guidelines. Furthermore, the council provides strategic oversight for capital improvements and facility maintenance, all while fostering a parish-wide culture of stewardship that recognizes our financial resources as gifts to be used for God's glory.
